RE: Dickens v. Stan Taylor, et al.
04-201 (JJF)

Dear Judge Farnan:

I am in receipt of your Order dated July 17, 2006. After consideration of the original and amended complaints, (D.I. 2, 20, 21, 24), I have decided to proceed with the original complaint.

As stated previously, the amended complaints were filed ^{due} to loss of original complaint. However, it seems that I was able to recover virtually the entire complaint from the rough draft of copy and indeed, as the Court noted, they are virtually identical. For that reason, I withdraw the ~~motions~~ for ~~amended~~ complaint(s). I apologize for any confusion caused by said motion.

I also note that there ~~was~~ no request for additional copies. If the Court needs additional copies of the original, please inform me immediately. I trust that all documents and US-285 Marshall forms are now in order.

Sincerely,
Kevin L. Dickens
